We hope that together, you find ways to tie each meeting or service project back to historic preservation, education, and patriotism. As you do so, we challenge you to engage every member in your chapter – all should feel welcome and a part of the team.

Now is also the perfect time for every member to think about ways to share their talents with the organization. Are there projects you are passionate about but have been reticent to sign up for? Now's the time!

Behethland Butler had 7 members attend the 2022 Continental Congress. Regent Loretta Mulle', Registrar Carolyn Moseley, Chaplain Nancy Criss, Recording Secretary Melissa Franklin, Registrar in Training Merry Crawford, Page Julianna Crawford and Publicity & Communications Chair Patti Enter. Julianna Crawford was a Page at Continental Congress and also had the honor of bearing the South Carolina Flag during the ceremonies.

While attending Continental Congress a Colorado Daughter fell down the escalator at the JW Marriott. Merry Crawford RN immediately came to her aid, ensuring no broken bones or significant injuries. She also went thru all the signs of a Stroke. When the EMT's arrived on scene, they were able to obtain the information from Merry and transport the Daughter to the hospital. We are extremely proud to have this Mother / Daughter duo as members of our Chapter!

If you are in Travelers Rest on Saturday, September 17th, please come by the Spring Park Inn to visit our Constitution Week table. Constitution Week Chair Taffy Lowery has been working hard to have everything ready. She has a great location along the Swamp Rabbit Trail. We have lots of giveaways.

Travelers Rest High School History Club. Mr. David Dunaway, Social Studies Teacher is in the process of forming a "History Club" for the school. Daughter Taffy Lowery has met with him and he is excited to have the Behethland Butler Chapter provide resources for his Club. The DAR Lesson Plans will be a great help to him and other social studies teachers at the high school.

Regent Loretta Mulle' and Corresponding Secretary Brenda Jansons visited Tamasee School and were given a tour of the property. They had a very informative visit of the first home on campus which was the converted "Chicken Coop."

Our new Women's Issues Chair, Taffy Lowery RN and Vice Regent Adrienne Hogan RN will be providing blood pressure and blood sugar tests at each Chapter meeting. What a great benefit having so many Nurses in our chapter.

Regent Loretta Mulle' is our Chapters Wreath Across America Coordinator. If you need information or would like to contribute, please contact Loretta at lorettarmulle@yahoo.com

Behethland Butler had 10 members to attend Fall Forum. Our **new** Chapter Newsletter is debuting in September and we can't wait to share what we learned with our Chapter members in September!

Behethland Butler has many that crochet. On short notice, Loretta Mulle was able to answer the plea and crochet 6 poppies to send to the Washington State, Stonehenge War Memorial

Completion of DAR Training has moved up our priority list. This year Adrienne Hogan and Patti Enter have completed the Members and Committee Leaders Courses. Brenda Jansons, Carolyn Moseley and Taffy Lowery are enrolled in Members Training. Elise Mullins and Loretta Mulle are enrolled in the Committee Leaders course. Patti has finished the New Horizons Course and graduate after her project is presented on Day of Service. Great job Ladies!

Vice Regent Adrienne Hogan has offered to input all our Chapter Coca-Cola lid information for the Tamasee Fund Raiser. To date she has input over \$11.00. If you have ever done this you know it is time-consuming!

District One Business Meeting and Luncheon was held July 16, 2022 at the Embassy Suites Hotel on Verdae Boulevard, Greenville SC.

District One Director, Anne Kilpatrick presided over the meeting which had a wonderful turnout. Erin Medlin took the minutes and during the meeting it was decided that District One would do The October Service Project together to support local schools.

Brenda Janson did a wonderful rendition of Tamasee Tilly, a young Appalachian school girl who was one of the early students at the Tamasee DAR School.

This Kentucky Derby hat (\$299 price tag) made by Kirsten Goodman, milliner, who has a custom KY Derby hat business in Louisville. She donated it to the Fort Prince George chapter. They are donating it to the Junior's project as a fundraiser.
